ANNUAL REPORT  
OF THE  
**Superintendent of Schools**  
OF THE  
**TOWN OF PLAINFIELD, CONN.,**  
**July, 1919.**

---

To the Town School Committee:

Gentlemen:

I herewith transmit to you the Fourteenth Annual Report of the Superintendent of Schools.

The school year of 1918-1919 has been a year of difficulties in view of the epidemic that raged last fall and in the winter. It is a pleasure to note that in spite of the numerous interruptions to the work of the schools all time lost has been made up and the full school year's work accomplished through the perseverance and loyalty of the teachers and the hearty co-operation of the children. We have kept schools for a number of Saturdays to make up lost time and the children have attended and worked splendidly on these days.

**ATTENDANCE.**

The enumeration for September, 1918, was 1863, a gain of 19 over the enumeration for 1917. Total registration was 1169; counted twice, 129; net registration, 1040. Average term registration, 929.6. Average Membership, 848.2 Average Attendance, 770.6. Per cent of Average Attendance to Average Membership, .918. Number of children enrolled in other than public schools, 656.

**TEACHERS.**

The following teachers began their first year in the town in September:

Miss Florence Rhodes, Miss Jane D. Mahoney, in the High School; Miss Gladys Rowe and Miss Pauline Reily, Wauregan;

Miss Henrietta Hall, Green Hollow; Miss Charlotte Apts, Black Hill; Miss Lenore Crouse, Pond Hill; Miss Florence Onderdonk, Flat Rock; Miss Clara Moran, South; Miss Grace Conner, Plainfield. Miss Gertrude Handy of the High School left at the close of the Fall Term. Miss Rachel Damon substituted in her place through January, and Mr. John P. Moore was then engaged for the remainder of the year. Miss Clara Moran left at the close of the Fall Term and Miss Mabel Frink was engaged to teach the South School for the remainder of the year. Miss Charlotte Apts left at the close of the Winter Term and Miss Florence Exley was engaged to teach Black Hill School for the Spring Term. Miss Annie Stubbs left April 25 and Miss Ruby Reynolds took her place for the rest of the term.

The following teachers will not return next year: Miss Gladys Rowe, Miss Pauline Reily, Miss Annie Fraser, Miss Loretto Sullivan, Mrs Alice Gallup, Miss Ruby Reynolds, Miss Florence Exley, Miss Henrietta Hall, Mr. John P. Moore, Miss Florence Rhodes and Miss Ruby L. Mead.

Transfers of teachers have been made for 1919-1920 as follows: Ruth Moore from Plainfield, Room V. to Plainfield, Room III. Florence Onderdonk from Flat Rock to Plainfield, Portable, Room I. A. Lenore Crouse from Pond Hill to Plainfield, Portable, Room II.

#### **HIGH SCHOOL.**

Seventeen pupils graduated from the High School in June. As there were forty-five graduates from the grammar schools, the largest number in several years, there should be a large entering class in the Fall.

Everyone recognizes the need for a new high school building and it is necessary that immediate steps be taken to start the movement for securing one. The High School has been established for fourteen years and has far outgrown present accommodations. The demands imposed upon high schools in the present day cannot be met under present conditions. The Superintendent has called the attention of the town to this condition, repeatedly, for the past few years and the townspeople generally recognize the need. Shall we not begin this year? Plainfield needs a new, up-to-date and thoroughly equipped building from every point of view. The State will soon demand that we have it if we are to continue to receive State approval.

We have really done wonders in the preparation of our pupils under the present conditions. We have graduated from this school 145 pupils since it was established, and those pupils have made records of success wherever they have gone. Hundreds of other

pupils have received the benefits of the school for periods of from one to three years, and have given voice to the value of their training many times. But the time is at hand when we must make the training comply with the work pupils must do after their high school days are over. It is a duty we owe to future generations and the issue must be met very soon.

Sixty-six of our former pupils were in the service during the War, some of them seeing the hardest service on the Western Front and in Italy. Fortunately we are not obliged to record any casualties in spite of the wonderful record made by our boys and the hard fighting they have been through.

The Class of 1918 and the Class of 1919 each presented the school with a fifty dollar government bond as a nucleus of a fund for a new high school. This shows the love for the school possessed by our graduates and their desire that the school shall continue to grow and keep pace with the times.

The Alumni Association has presented the school a beautifully engraved and appropriately framed Honor Roll of the Boys in the Service to be hung in the school building. The Alumni Association held an enthusiastic meeting, reunion and reception on June 24, 1919, at which over half of our living graduates were present, several coming from considerable distances to attend.

#### EVENING SCHOOLS.

The first of November, 1918, the Town made an appropriation of \$3,000 for evening schools. A sub committee of the Town School Committee was appointed, viz., Messrs. Bragg, Sheldon, Chase and Johnson, to formulate arrangements for opening evening schools in the four villages of the Town.

The contract for lighting Plainfield, Moosup and Wauregan buildings was let to Mr. Louis Bradford of Danielson. It was voted to authorize the superintendent to have cards for applications printed, also posters to be distributed throughout the Town announcing the opening of evening schools. The application cards were well circulated through the mills and places of business and there were signed and returned 333 cards as follows; from Plainfield, 133; Moosup, 114; Wauregan, 68; Central, 18. On the strength of the above, seventeen teachers were engaged as follows: Wauregan, Mr. Gabriel Lamere, Miss Parmelia Dore, Miss Gladys Rowe, Miss Pauline Reily. Moosup, Mr. W. C. Darby, Mr. Joseph Smith, Mr. Lowry P. MacLennan, Miss Annie Fraser, Miss Loretto Sullivan. Plainfield, Mr. Cecil L. Butler, Mr. John D. Hull, Miss Margaret Sullivan, Miss May Rollins, Miss Ruth Moore, Miss Eileen Manning. Central, Miss Louise Elliott, Miss Beatrice Seguin.

Text books and supplies were purchased, a course of study was made out, and rules and regulations governing the conduct of the schools were adopted. Three weeks were necessary to install the lighting equipment and schools were opened on Monday, November 18, 1918, in Moosup and Central Village, and on Wednesday November 20, in Plainfield and Wauregan. Two hundred eighty-nine pupils were present in all the schools on the opening evenings: 104 in Plainfield, 95 in Moosup, 65 in Wauregan and 25 in Central Village. The following classes were organized:

Wauregan: two classes for foreigners who desired to learn to read and write English, with a total of 31 members: two classes of pupils who had previously had some day school training and who had been granted certificates to labor and gone to work in previous years. These two classes had 34 members.

Moosup: two classes for pupils with previous day school training with a total of 63 members; three classes of adult foreigners with a total of 42 members.

Central: one class for foreigners, 9 members; one advanced class with 16 members.

Plainfield: three classes for pupils with previous day school training, with a total of 69 members and three classes for foreigners with 39 members. These totals varied considerably in the first four weeks. The total registration for the season in all classes was 318. There were 125 who attended to learn English, principally, and 193 pupils who had at some time previous had day school training and who desired to continue their studies from the fifth to the eighth grade.

It will be seen from the above that there were a large preponderance of pupils who had previously been to day school. These pupils ranged in age from 16 to 30 years and comprised both sexes. For the first few weeks their attendance was good, but after they had reviewed the work they had previously done in day school and started in on more difficult work their interest began to wane. Dances, moving pictures, skating and a return of the influenza proved too strong a combination for the greater portion of the younger members and the attendance after Christmas of these groups diminished 75%.

The average attendance for the first four weeks was 217.4; for the next four weeks, 152.3; for the third four week period, 88.6; and for the final four week period, 56.4. The classes for foreigners held up well throughout, some of them maintaining nearly full numbers to the close of the year. As the attendance declined, teachers were released and classes combined so that the expense was reduced in proportion to the reduction in attendance.

It was seen from the first that a group of fifteen persons who

could not read and write English was as large a group as could be handled to secure the best results. All groups of foreigners were composed entirely of adults, many nationalities being represented. Poles, Lithuanians, Swedes, Germans, French, Syrians, Russians, Italians and Portuguese attended, but under the system employed no difficulty was experienced in teaching groups composed of different nationalities.

Mr. Samuel J. Brown, employed by the State, who has had much experience in teaching classes of foreigners in New York City spent seven evenings in demonstrating to the teachers the best methods of teaching English quickly and thoroughly to groups of foreigners. With his demonstrations and instructions, and the constant personal supervision of the Superintendent the teachers quickly mastered many details of the work and the pupils maintained an interest that was productive of excellent results. While only two of the teachers employed had previously taught evening schools they were in many cases well equipped to take up the work and succeeded well from the first.

In the advanced groups a different type of work is necessary to secure continued interest and attendance should classes of this type be organized next year. The Superintendent has consulted with Mr. Potter, State Inspector of Evening Schools, and it is probable that a definite course for these groups will be ready in the Fall. This year we had neither the equipment nor the teaching staff to carry out more advanced work than was attempted.

Schools were maintained on the average of four evenings per week for sixteen weeks, a total of 64 evenings. The State requires 75 evenings to secure the State grant, but lack of funds and the great falling off in attendance made it necessary to close the schools before the completion of the 75 evenings. Another year the full time could be maintained at less expense as the cost of lighting and equipping the buildings for evening school work and text books used up almost half of the \$3,000 appropriation this year.

The work accomplished was remarkable for the initial experiment, especially so among the non-English speaking groups. Nearly every pupil in these classes attended with fair regularity to the close of the season and at the end of the term was able to read and speak and write ordinary English, well enough at least to make himself intelligible in expressing his ordinary wants and in being able to read, to some extent, the daily papers and to enter into a limited discussion of the things read. Some progressed faster than others, but the groups as a whole were able to converse intelligently in a limited way in the English language.

At least fifty persons, forty of whom were men, accomplished this work in the time the schools were in session. Not one of this number could write English at the commencement of the season and less than a dozen could speak the language at all. While this may seem a small accomplishment to those not conversant with the work, it is really a remarkable result for the first season evening schools have been maintained, under the handicap of war conditions and an unusual amount of sickness among all classes of people.

The Superintendent recommends that arrangements be made to continue the schools for a period of 75 nights next Fall and Winter.

The tabulated attendance follows:

#### EVENING SCHOOLS.

School	Registered	Av. Memb.	Av. Att.
Wauregan .....	61	43	32.8
Central .....	30	15	9.6
Moosup .....	109	64	38.6
Plainfield .....	118	75	47.6
Totals .....	318	197	128.6

Respectfully submitted,

J. L. CHAPMAN,

Superintendent.

Class Colors—Green and Gold. Class Flower—Yellow Rose.

Class Motto—"Excelsior."

**Class Ode.**

Tune—"I'm forever blowing bubbles."

Plainfield High, it's time to leave  
 All thy pleasures dear;  
 Soon they will be but fantasies,  
 Like a by-gone dream of cheer;  
 And as the hours and days go by,  
 We feel thy presence ever nigh.  
 Our dear Plainfield High,  
 Best school upon the earth,  
 Our memory will be with thee  
 In sadness and in mirth.  
 We will ever strive  
 To make our motto true  
 To each and every duty  
 "Excelsior," we'll carry through.

**Class Organization.**

President, Andrew Francis Smith.  
 Vice President, Ruth Ames Sunn.  
 Secretary, Dorothy Ellen Salisbury.  
 Treasurer, Montcalm Ferdinand Maynard.  
 Marshal, Ellis Mason Kennedy, 1920.
